

Know Your Knight Of Columbus, That Is

Dean LaFrenz

Spouse: Carol

Children: Mark (36) Scott (34)

Grandchildren: Peyton (3), Piper(1) Olivia (2)
Reid (6 mo.)

Life Goal: To enjoy life's blessings.

I met my wife...On a blind date in college in 1961. We were married August 1, 1964.

Jobs I've Held: School Administration (Secondary Assistant Principal) and teacher and in addition to that would be the jobs of summer employment and sales at both Sears and Daytons. My summer jobs included construction and also turkey production related jobs including the artificial insemination of the birds.

How and Why We Came to St. Gerard's: We were looking for a parish in 1973 and had attended St. Al's when we heard of the small church in the cornfield. Attended, loved it and have been here since.

Activities We've Been Involved In at St. Gerard's: In the 33 years we have been involved in most everything from Parish Council to Food Chair at Corn fest. The Knights have become a big part of my volunteer work at St. Gerard's. I am presently on the Maintenance Committee and the Co-Chair of the St. Pats Auction. Carol is on the Parish Council.

I became a Knight because...I had been involved in the Men's Club and saw the Knights to be the growth of that organization.

I support my spiritual growth by...attending Mass and Bible Study.

I relax by...golfing and being a spectator at other athletics events.

Hobbies: Golf

Favorite Food(s): I eat most anything.... Look at me

Pet Peave: People that cannot be visionary. Maybe it is people that do not see things the same way that I do.
