

## KNOW YOUR KNIGHT, OF COLUMBUS, THAT IS

**Ken Lambertz**

**Spouse: Mary Ann**

**Children:** Sally and Luke      **Grandchildren:** not yet

**Life Goal:** Take MaryAnn to Europe. Walk Sally down the aisle. See Luke become a Knight. When I 'm retired, have time to enjoy it.

**I met my wife...**at my parent's home. She was a friend of my sisters. I believe my sister has very good taste.

**Jobs I've Held:** I hung sheetrock for five years. I cooked at the Hippogriff for five years and drove truck for two years. I've been in building services for over twenty years.

**How and Why We Came to St. Gerard's:** When we moved to Brooklyn Park in 1978, we went to both St. Al's and St Gerard's. I wasn't too happy about the entire hand holding and hugging. However, Mary Ann really did like it. She won out and I'm glad she did.

**Activities We've Been Involved In at St. Gerard's:** Mary Ann and Sally are religious Ed teachers. MaryAnn is a Eucharistic minister. Sally, Luke and I are ushers. Our family is active with Hospitality. Luke has also helped me with Knight's projects since he was four.

**I became a Knight because...**I grew up in a family of Knights. Becoming a Knight at age 18 was a bigger deal than graduating. I always wondered why my dad got so much happiness from being a Knight. Now I know!

**I support my spiritual growth by...** going on yearly retreats since we started them 17 years ago. I have participated at Adoration for a long time. I pray with my family and friends often. I stay active at St. Gerard's.

**I relax by...**gardening, cooking, and oh yea, by playing cards.

**Hobbies:** Gardening, cooking, and playing cards.

**Favorite Food(s):** Prime rib, fresh bread, buffalo wings and any thing that's served at a card game.

**Pet Peeve:** People who wear hats indoors, run red lights, and have a general lack of manners.
