Spouse: Beth

Children: None yet

Life Goal: Be the best father I can be by being actively involved in my children's lives through school, church and working together. Be the most loving husband by doing my best to put my wife's needs and the needs of our family first.
To be a leader in manufacturing and the opportunity to give back through education.

I met my wife...

In college. I met her at a party and asked her to dance.....she laughed at me....Luckily she was a friend of one of my friends and called me the next day. We went out for dinner and the rest is history.

Jobs I've Held:

Farm boy. I grew up on our family farm in North Central ND.
Worked various jobs in manufacturing and engineering for Bobcat, Case New Holland and currently Honeywell.

How and Why We Came to St. Gerard's:

We enjoyed the welcoming feeling by the community, the pastor and the music. We also noticed this was a parish with a number of couples close to our age ☺

Activities We've Been Involved In at St. Gerard's:

Knights of Columbus.....so far

I became a Knight because...

My grandfather was a 4th degree Knight and my father and brothers are Knights. I wanted to continue the family tradition. I also believe in what the Knights stand for and what they do to better the community.

I support my spiritual growth by...

Attending mass, personal reflection time, praying with my wife, and doing my best to live a Christian life.

I relax by...

Watching a movie with my wife, watching football
