

Grand Knight's

Greetings Brother Knights,

Our care and concern go out to our pastor as he is experiencing the loss of his mother. We prepared a card that many of you signed at the pancake breakfast. The services were well done and I found it touching. I especially appreciated the Franciscan Community singing the Salve Regina at the Mass. A reminder that our community is a little different and that the Franciscan Community is something that we are all a part of. This might be something that we as Knights could reflect on, as Francis was a Knight as well, not a Knight of Columbus, but a Knight all the same. I imagine he brought some of the learning and training in how he formed the Franciscan Mendicant Order. His dedication to some simple principles of building the Church is a reminder to us and asks the question, "How do we build the Church up today?"

Glorious Holy Week to each of you! Our Easter season is fast upon us. Like Lent with its forty days, Easter has fifty days. This can be a time of spiritual renewal as well. In this next fifty days how do we resurrect a spiritual practice that brings the Christ alive in our hearts? Ultimately, that is our goal as Knights, to develop our spiritual life so that we can support our Church.

Pax, Shawn Phillips, Grand Knight, Council 130001
